Dear Jose,

PANAMA GROWTH & RISKS: WHAT DOES THE FUTURE HOLD?

It is a huge privilege for the British Embassy and the British Chamber of Commerce to seek your participation in an exciting economic forum where high-level representatives from the Government and Panama's leading economists will debate the country's public finances, international competitiveness and the issue of OECD compliance.

The Forum, which will be held in the Sheraton Hotel on the 10th of October, will run as a Panel discussion with a question and answer session. It will be held in English with simultaneous interpretation provided in Spanish. The discussion will last three hours, to be followed by a gourmet networking lunch.

We hope to be able to confirm you as one of the keynote speakers at the event. Your participation would bring unrivalled insight and prestige to this important debate.

We would greatly appreciate if you could confirm your availability to Ariel Perez Price on 6781-5883 or via an email to ariel.perez@fco.gov.uk.

With warmest best wishes,
